

Arabic / Urdu practice sheet

Mark the alif height in rhombic dots of your qalam in the margin (Naskh is often taught at about 5 dots). Write right to left on the orange baseline.

The practice sheet is designed for calligraphy practice. It contains five identical sets of horizontal lines. Each set includes three light purple lines and one orange baseline. On the right side of each set, there are five dark blue rhombic dots arranged vertically, intended for marking the alif height. The lines are evenly spaced and extend across the width of the page.
