

Italic & foundational practice sheet

x-height 5 nib widths (for a 3.8 mm nib), 5° letter slant, pen angle 45°. Mark your own nib ladder in the left margin.

The image shows a calligraphy practice sheet with eight rows of guidelines. Each row is defined by a solid red baseline and a light blue top line. The space between these lines is divided into five vertical columns by dashed lines, representing nib widths. A black nib ladder icon is positioned at the start of each row. The entire sheet is set against a light gray background.
